

BCGS Intensive Week “From Chips to Higgs” - LHC Detectors and Physics in one week

registration (for tutorials and talks)
email to : wermes@uni-bonn.de

physics 719

Sept. 26 – 30, 2011

open to all students

<http://hep1.physik.uni-bonn.de/phys719.html>

contents:

LHC physics

LHC detectors and detector physics

introduction into chip design

Introduction into statistical analysis

hands – on tutorial: IC design

hands – on tutorial: ATLAS physics analysis
